**Subject:** Revised Memo - Policy Implications of the WVA Spill

Hi Nancy,

Please find attached an updated version of the memo that includes OWM's edits and a revision from OGWDW to the highlighted language that you'd sent yesterday. I've attached a final clean version of the document and a tracked changes version (which includes a highlight of the OGWDW revision on page 2).

Please let me know if you'd like any additional changes or have any other follow-ups.

Thanks,

Nizanna
